Signs and Symptoms Excessive Exposure	-		g to Eyes a	and Skin.						
Medical Conditions	=									
Generally Aggravate				N 1 A 1 1 NI	D' I I					
			bance as C	Center, Autonomic Nerv						
Emergency and First			alalan If a	In case of contact, imp						
plenty of water at least 15min. Call a physician. If swallowed, induce vomiting immediately by										
giving two glasses of water and sticking finger down throat. Call a physician. If inhaled,remove to fresh air. Call a physician. Section VII—Precautions for Safe Handling and Use										
Steps to Be Taken in Case Material is Released or Spilled Remove all sources of ignition. Use water spray to reduce vapors.										
				r shovel into approved o	disposal contain	er.				
flush area with water		e macomano	. Giroop oi	onever mee approved t	nopodar dorream					
Waste Disposal Method										
Burn in controlled incinerator or decompose in activated sludge type waste treatment plant.										
Dispose in accordance with Federal, State and Local Regulations.										
Precautions to Be Taken in Handling and Storing										
Store in cool, dry, dark and well-ventilated place.										
Do not use near heat, sparks and flames. Keep the bottle closed when not in use. Other Precautions										
Avoid contact with s	kin or eye	s, breathin	g vapor or	mist.
